Jonah Mission School is designed to spend two nights and three days with you to teach the concept of "Mission Possible." Currently, our mission program is taught at various places such as USA, Korea, Australia, New Zealand, Canada, China, and France.

You will be taught subject areas in:

- The importance of mission and its urgency
- The biblical foundations of mission
- The fullness of the Holy Spirit and mission
- What is M2414?
- The fulfilled promises of Abraham and God's global salvation
- Missional Strategies in the book of Jonah and Romans
- Why we focus the unreached people group as our final mission field?
- Is it possible to see the second coming of Jesus in our time?

We want to bring the paradigm shifts to young and old Christians for them to understand the revelation of God's global mission. Through the vision of M2414 (Matthew 24:14) and reaching out to the unreached people group, we want to bring Christian mission to the final stage of Lord's coming and do the mission with the action of the Holy Spirit. We are destined to participate in the global mission commanded by our Savior Jesus Christ.
